## Aviation Communication

Online English Language Course

Do you want to maintain and improve your English language skills? The Aviation Communication course designed by The Airline Pilot Club aims to perfect your communication and English language skills to help you pass your interview and give you confidence in the cockpit to communicate with your crew.

Led by our English Language expert, Frank O'Dea, *BA (Hons), Dip, CELT*, you will be taken through an intensive course structured around 5 key elements that will focus on aviation terminology and concepts:

1. **Aviation Communication**
2. **English Grammar Focus**
3. **Interview Preparation**
4. **English Language Skills**
5. **English Language Tips**

APC's Aviation Communication course also offers the chance to ask Mentour Pilot's Petter Hornfeldt questions about how pilots use Aviation Communication. Our students will be given 2 months **FREE** access to Mentour Pilots 360 App!
